National Coverage

Regional Coverage

Local Coverage

These maps are not a guarantee of actual coverage and may contain areas with limited or no coverage. These maps show approximate outdoor coverage based on computer-generated modeling, public information and information provided by third parties. Actual coverage depends on customer's equipment, terrain, signal strength, weather, system availability, capacity, repairs, modifications and other conditions and may vary significantly in buildings.

Explanation of Rates & Charges:

In addition to the terms and conditions in the Personal Service Agreement and the CellularONE of East Texas Rate Plan literature, the following terms and conditions apply. Requires new activation which is subject to credit approval; deposit may be required. Compatible device, Activation Fee and minimum two-year contract required per line. Your device has been manufactured to operate exclusively on our network and cannot be activated with any other wireless carrier. Voice usage for each call is billed in full minute increments with partial minutes rounded up to the next full minute. We may terminate your service if a majority of minutes in any three consecutive monthly periods are used off the portion of our network that we own and operate. Unused monthly minutes, megabytes and text messages are lost. Different rates apply for calling card or credit card calls, international calls or operator assistance. Due to delayed reporting between carriers, usage may be billed in a subsequent month and will be charged as if used in the month billed. Not all features, service options or offers are available on all devices, on all rate plans or available for purchase or use in all areas. Call Waiting, Three-way Calling and accessing Voice Mail will incur airtime or roaming, plus applicable long distance charges. Call Forwarding usage is charged at the same rate per minute as additional airtime, plus applicable long distance charges and will not apply towards your Anytime Minutes. Any termination will be effective at the end of the billing cycle in which cancellation occurs and you will be responsible for payment of all fees and costs until that time. We reserve the right to deny porting of any number to another carrier when your service is suspended. The end user's principle residence must be within our Cellular One of East Texas area. Eligibility requirements, pricing, features and calling areas are subject to change without notice. Fees: Activation - \$19.99 per line; Reconnection - \$20 per line; Late Payment Fee - 1.5% of balance; Returned Check Charge - \$25. Charges will apply for Directory Assistance service, and will appear on your bill in the "toll" column (or as "toll"). Calls to Directory Assistance are not covered as part of your rate plan's included airtime. The current on-network charge for Directory Assistance calls is \$1.50. Directory Assistance calls placed while roaming are subject to that carrier's standard Directory Assistance rates, and are not covered by your rate plan's included airtime and/or toll (or long distance). Additional restrictions may apply. Text messages are billed at \$.20 per message. Picture messaging is billed at \$.25 per message.

An additional monthly \$1.95 Regulatory Programs Fee will be added to your bill for each line of service to help fund Cellular One of East Texas compliance with various government mandated programs which may not yet be available in your area. This is not a tax or a government required charge. Available for use in your GSM National Service Area. Roaming rates may apply when using another company's network. On Local & Regional plans, roaming rates apply when outside of your Local or Regional Service Area and may apply when using another company's network inside the Local Service Area. Domestic and international long distance charges may apply. Included long distance for GSM National plans include calls to 50 states, Puerto Rico and the U.S. Virgin Islands. Included long distance for Local & Regional plans include calls to the 50 states from your Local or Regional Service Area, respectively. Standard airtime charges apply. Available for calls placed or received on our network from the applicable Mobile-to-Mobile service area to or from another Cellular One of East Texas customer on our network in the applicable Mobile-to-Mobile service area. Available for use in your Local Service Area. Available for use in the Regional Service Area. Compatible device required. Additional usage charges apply after depletion of included bucket - additional data will be billed at \$0.01 per kb. Text Messaging - additional messages sent will be billed at \$0.20 per message. Picture Messaging - additional picture messages sent will be billed at \$0.25 per message. Geographic limitations and significant restrictions apply. Two-year agreement is required. All additional lines of service for GSM plans will have an additional airtime rate equal to the additional airtime rate on the primary plan. Service area for additional lines is the same coverage as your primary plan. GSM is a trademark of the GSM Association. All Service plans require minimum service period. Termination of Service will result in a termination fee of \$150. Any usage not on the CellularOne network may incur roaming charge, even if within Local Service Area.

* 30-Day Risk-Free Trial: Applies to wireless phones purchased and activated at a Cellular One of East Texas store. Return undamaged phone in original packaging with user manual for refund in first 30 days and pay only for airtime and usage charges.
